*Annual Report of the
United States Grand Lodge
of Ordo Templi Orientis
Fiscal Year 2007*

Do what thou wilt shall be the whole of the Law.

Ordo Templi Orientis (O.T.O.) is an international religious and magical initiatory fraternity open to both men and women. O.T.O. was founded in Germany and England in the early part of the 20th century, and was incorporated as a non-profit 501(c)(3) organization in California in 1979. It is currently organized in 15 countries, with Grand Lodges in the United States, England, and Australia. Ordo Templi Orientis is the first of the traditional esoteric fraternities to accept the Law of Thelema, the religious revelation obtained by Aleister Crowley in 1904. It still operates by the original charters, constitutions, documents and principles established during its formative years.

The U.S. Grand Lodge of O.T.O. and M.:M.:M.: (U.S.G.L.), also known as Ordo Templi Orientis U.S.A., or O.T.O. U.S.A., is a duly chartered Grand Lodge and National Section of Ordo Templi Orientis, chartered by Ordo Templi Orientis International Headquarters on March 30, 1996. It is a tax-exempt, non-profit religious organization incorporated on June 20, 1996 under the laws of the State of California. O.T.O. U.S.A. was incorporated for the purpose of the preservation and advancement of the religious tenets, doctrines, principles, teachings, traditions and rites of Ordo Templi Orientis, and all its funds are irrevocably dedicated to furthering that purpose.

U.S.G.L. is the most populous and active national section of O.T.O., with 56 local bodies in 25 states as of February 2008. Each local O.T.O. body interfacing with the public in the United States is designated as a Camp, Oasis, or Lodge, depending on its size and level of activities. Although there is often much interrelating between local bodies, each operates independently yet answers directly to the national government of U.S.G.L.

Specific local bodies (Oases and Lodges) provide ceremonial initiation into the first series of degrees of O.T.O. Most local bodies also regularly perform an O.T.O. ritual called the Gnostic Mass. This ritual is described in our system as “the central ritual of the O.T.O. both public and private”, and is presented under the auspices of the Ecclesia Gnostica Catholica, the Gnostic Catholic Church, which is the ecclesiastical aspect of O.T.O.

Most local bodies also offer public classes, workshops and book studies that usually cover a wide range of Thelemic and esoteric/occult subject matter. Some of these may include various aspects of the theory and practice of Thelema, Qabalah, Yoga, Ceremonial Magick, Hermetic Science, Tarot, Astrology, Alchemy, Mythology, Comparative Religion, and the history and structure of O.T.O., as well as various Thelemic celebrations, rituals, rites and holidays that assist and support the development of Thelemic community.

In the 2007-2008 fiscal year, we have continued our course of slow but steady growth in membership as well as in the programs and services offered to our members. We have made steady progress in implementing the scheduled tasks from the strategic plan we adopted last fiscal year.

In the following paragraphs, you will see our Statements of Mission, Program, Vision, and Values. These statements were developed as part of last year's strategic planning process, incorporating principles from the original constitutions, documents and principles developed during the founding and initial growth of Ordo Templi Orientis. They form the basic plan from which our strategic plan was built, and offer a concise view of the direction we have charted for the future of U.S.G.L. over the next several years.

Love is the law, love under will.

Fraternally,

Sabazius X°
National Grand Master General
Ordo Templi Orientis U.S.A.
